

UNIVERSITY *of*
WEST FLORIDA

**Global Online and CUTLA
Merge**

Our approach to change

What we learned from feedback

Assistance and resources needed through a multiplicity of modalities

Expansion of collaborative campus partners to support faculty

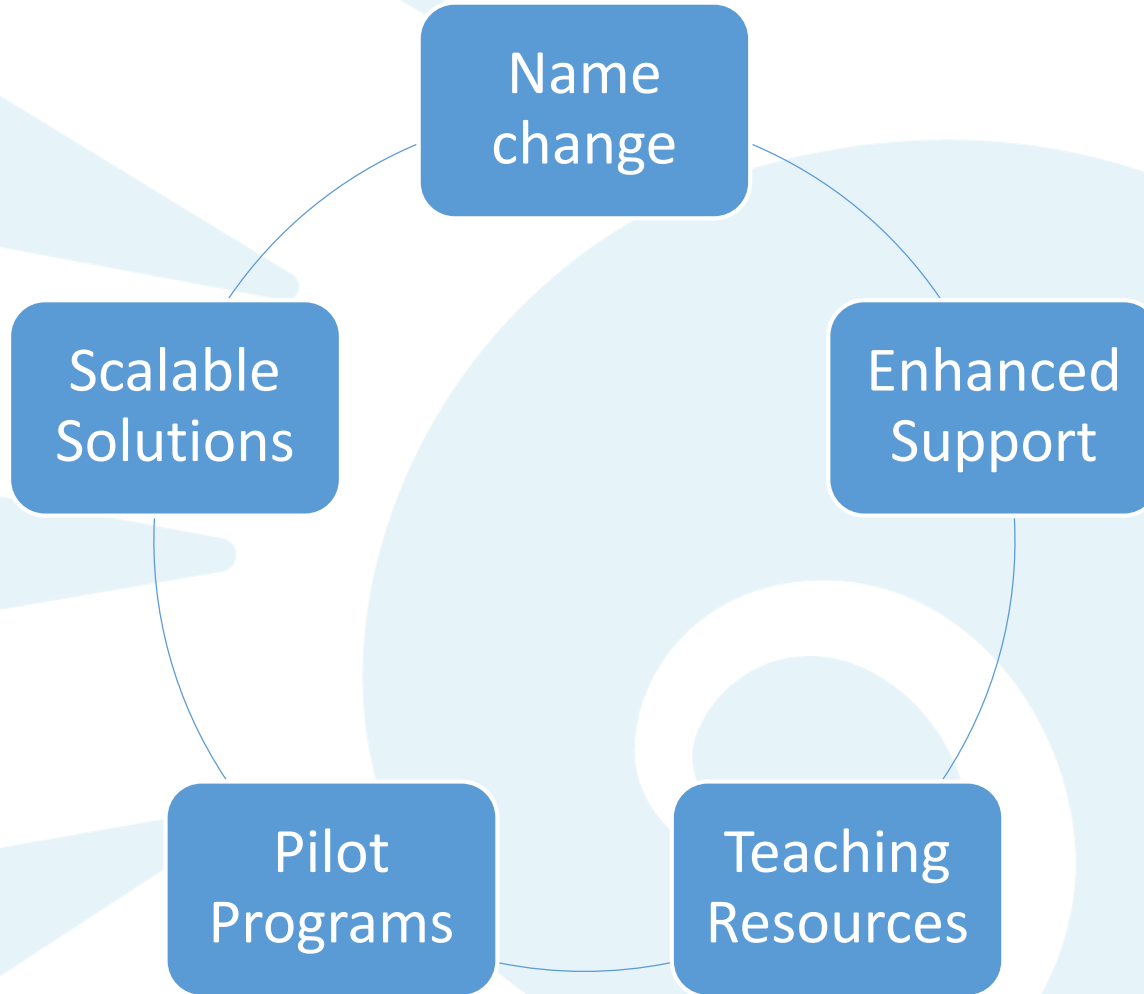

Professional development to support the career lifecycle of faculty

Solutions at scale to support student success

What to expect

Launching our new name

Center for Teaching,
Learning, and Technology
(CTLT)

Enhanced Support

On-campus

On-line

On-demand

On-campus Support
