

OFFICE *of the* PROVOST

End of Year Message from the Provost

Dear Academic Affairs Colleagues:

As we close 2020 and reflect on all of our experiences this year, I want to say, very simply, thank you for what you have done to rise to every challenge--to teach every class, to advise every student, to process every form, to manage every budget, and myriad other things that make our institution a great place to work.

I wish all of you a restful and safe holiday break, and I look forward to seeing you in 2021.

George
