Message from the Provost

UWF Community,

As the spring semester comes to a close, I want to thank all of you for your outstanding work in the classroom, labs, fields, museums, studios, and all of the other places you use to enlighten our students.

I hope most of you can attend our Spring 2023 Commencement ceremonies this weekend, which is such a wonderful and celebratory time for our students and their families, but also for all of you and what you have done to help them get to this moment. Unfortunately, I will miss my first UWF commencement as my own son is graduating college on the same day. As a proud father I will be attending his graduation ceremony in Connecticut.

Thank you all again, and have a wonderful and refreshing summer.

Gary Liguori
