0:23

0:29

0:40

0:44  
anywhere I'm going to tell you what you  
0:46  
have to expect if you come to one of our  
0:47  
free valet clinics so you might be

0:49  
wondering what do I have to bring you  
0:50  
this clinic should probably bring  
0:52  
yourself and then you know sum of money  
0:54  
pants or something cuz you never know so  
0:56  
there's a couple of things that are  
0:57  
really gonna help you rock here at the  
0:59  
climbing center thus we have this thing  
1:01  
I'm not exactly sure what its full or  
1:03  
what it's called don't know what that is  
1:05  
so it must not be important they also  
1:07  
have this thing very nice very shiny re  
1:09  
hook like actually don't really know  
1:12  
what this is or what it's for you need  
1:15  
this either honestly this is not  
1:16  
important at all moving on now these  
1:20  
these are your safety pants that  
1:22  
fashionable they're reliable and keep  
1:25  
you safe I didn't give you a wedgie toe  
1:27  
but it's okay cuz it's a safety wedgie  
1:29  
we understand that not everybody just  
1:30  
has louisvuitton it's lying around so we

1:33  
have a whole closet full so when you get  
1:38  
here we're going to teach you how to  
1:39  
belay not be lame Billy well my aim is  
1:43  
kind of like holding your friend up in  
1:44  
like a really important trust wall but  
1:47  
that's like no fall it's not really even  
1:50  
a trust fall it's just trust it's about  
1:54  
to get pretty naughty it here  
1:57  
[Music]  
2:10
