The Vendor Ombudsman may be contacted at (850) 474-2636.

The Consultant shall construe nothing in this Agreement as an indemnification of the Consultant. The University warrants and represents that as a sovereign entity, it is self-insured. Consultant and University agree that nothing contained herein shall be construed or interpreted as (a) the consent of the University or the State of Florida or its agents and agencies to be sued; or (b) a waiver of sovereign immunity of the University or the State of Florida.

The Consultant shall promptly notify the University in writing of all potential conflicts of interest for any prospective business association, interest or other circumstance, which may influence or appear to influence the Consultant's judgment or quality of services being provided hereunder. Such written notification shall identify the prospective business association, interest or circumstance, the nature of work that the Consultant may undertake and request an opinion of the University as to whether the association, interest or circumstance would, in the opinion of the University, constitute a conflict of interest if entered into by the Consultant. If, in the opinion of the University, the prospective business association, interest or circumstance would not constitute a conflict of interest by the Consultant, the University shall so state in the notification and the Consultant shall, at his/her option, enter into said association, interest or circumstance and it shall be deemed not in conflict of interest with respect to services provided to the University by the Consultant under the terms of this Agreement.
