Dear President Cavanaugh:

Enclosed is the NAACLS Board of Directors' official accreditation award for your Clinical Laboratory Scientist/Medical Technologist program from the September 21, 2007 meeting.

The Board of Directors' award is based on the continuing accreditation review process that included a site visit of your program on February 27-28, 2007.

Accreditation for your program will continue until October 31, 2014. As a result, your program will commence renewal of accreditation with submission of the Self-Study Report on October 25, 2013 and the scheduling of a site visit during Spring 2014. We provide this information to assist you in your program's administrative and financial planning.

This letter and the accompanying award represent formal accreditation by NAACLS. The NAACLS Certificate of Accreditation will be forwarded to the Program Director.

Sincerely,
