Dear Dr. Duer

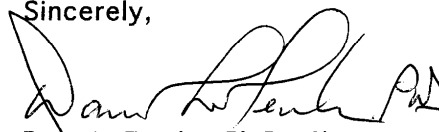

It is a pleasure to inform you that the Masters in Psychology Accreditation Council has voted to approve full 10-year accreditation for the MA in Counseling Psychology and the MA in Industrial/Organizational Psychology tracks at the University of West Florida until 4-30-2012.

It has been pleasant working with you and your colleagues as we have engaged in the accreditation process. I know that the development of the accreditation materials is a formidable task. You are to be congratulated on the quality of the materials submitted to the Council as well as the professional manner in which all of you have proceeded with the task.

A copy of the final report summarizing the findings of the Council, with its recommendations, is enclosed. It is expected that these recommendations will be addressed in your triannual report due in April, 2005.

May I convey the best wishes of the Council as you continue your efforts to improve the quality of your program.

Sincerely,

Dana LeTendre, Ph.D., Chair
