

**UWF Center for Applied Psychology
Florida Board Approved Laws and Rules Course
Educational Objectives**

Educational Objectives:

Upon completion of this course, participants should be able to:

1. Describe the statutory and administrative structure for the regulation of the professions of clinical social work, marriage and family therapy, and mental health counseling.
2. List the educational and supervised experience requirements for LCSW, LMFT, and LMHC.
3. List disciplinary offenses relevant to these professions.
4. Enumerate the continuing education requirements of these professions.
5. Outline the provisions for psychotherapist-patient privilege in Florida.
6. List the legal requirements concerning involuntary evaluation/treatment for mental health and substance abuse.
7. Describe the mandatory reporting in Florida of abuse of children and vulnerable adults.
