

Volume 5— Fall 2008, Issue 1 - Week of August 25, 2008

WELCOME BACK!

Welcome back to school to all of our returning students; and a very special WELCOME to our incoming class of 2012! Career Services is excited to “get down to business”; and we’re only on the first day of classes!

Our e-Minder is designated to serve you as students AND faculty and staff. What better way to bring in the new school year than with a totally redesigned e-Minder layout?! Every week we focus on a topic that *relates to you* either scholastically or professionally. That topic will always be found in this [large blue box](#). We also have three other subject areas; **Job of the Week**, **Spotlight**, and **Announcements**.

Our Job of The Week is a highlighted position that we advertise in the **lower, left-hand, green box**. It could be a full-time, part-time, co-op, internship or volunteer position that we pull from our **JasonQuest** database. (We’ll talk more about JasonQuest in our next e-Minder.) If you are ever interested in these positions, you should register and log on to JasonQuest to learn more!

The Spotlight portion of our newsletter, located in the **middle golden box**, deals with a specific subject area within Career Services, Volunteer UWF!, the University, or some event or activity related to those entities. It could be our Career Exploration Teams, our Network Night, United Way Day of Caring, or possibly an event sponsored by a co-partner.

Lastly, our Announcements are located in the **lower right, red box**. This is our weekly calendar of upcoming events relating to our office. We like to keep ourselves organized, don’t you? Sometimes, you’ll see more boxes with self-explainable topics. We like to be flexible, don’t you? :)

If you have any questions about the e-Minder or our office, please feel free to give us a call or drop by. On behalf of the University, welcome to our campus!

Job of the Week
