

Are you having a “major” problem?

Are you undecided or confused about a major?

There is a solution:

Enroll in SLS 2991 – **MAJOR EXPLORATION/CAREER CHOICE**,
a 3 semester hour credit class, Spring semester, 2012.

This course is an excellent choice for students who are:

- Undecided
- Not sure how to go about picking a major or career

In this course students will explore occupational interests, personality, strengths, and basic academic abilities. Students will examine career and life goals; how to select a university program to help achieve these goals and all aspects of getting from college to career.
