PROGRAM REQUIREMENTS

In addition to general University requirements, students seeking the B.M. in Music must meet the requirements listed below.

ADMISSION

To be admitted as a music major, students must audition for the faculty at least one semester prior to enrollment as a music major. Entering freshmen are advised to contact the Department of Music in the spring semester of their senior year in high school in order to secure information regarding scholarship auditions and general information about the degree plan of their choice. Scholarship auditions are generally scheduled in February and March of each academic year.

Transfer students are advised to contact the Department of Music one semester prior to their anticipated date of

enrollment in order to insure a smooth transition into the music curriculum at UWF. Transcripts will be evaluated by the chair prior to enrollment as a music major.

Students seeking a specialization in Music/Teaching must take and pass prior to graduation the following portions of the Florida Teacher Certification Exam: General Knowledge Test, Professional Education Test, and the Music Subject Area Test.

Departmental Requirements

In addition to the course requirements, the Department of Music requires the following of its majors:

- A. Every student enrolled in applied lessons must participate each semester in a major ensemble sponsored by the department (i.e., band, chorus or orchestra). Exceptions will be made only if students are completing a teaching internship.
- B. All majors must participate in the weekly student recital performance classes and perform as recommended by their applied professor. Majors generally perform at least once during the semester.
- C. All majors must attend a minimum of 12 concerts or recitals each semester in residence. The concerts or recitals may include student recitals, symphony concerts, music hall artists series concerts, and any other program of "classical" nature approved by the faculty.
