

1 **Credit Card Safety**

Guard Your Card

Your Name

Credit Union Manager

2 **Check Your Monthly Statements**

- Compare receipts with billing statements
 - Evaluate whether all purchases are yours
- Check personal information
- Thieves often make small purchases
 - If not detected, they then charge large amounts
- Shred all documents and receipts

3 **Secure Your Cards**

- Do not
 - Put credit cards in glove compartment
 - Lend your card to anyone
 - Write your password on your card
 - Write your account number on an envelope
 - Leave receipts lying around

4 **Take Security Measures**

- Forward mail if you move
- Hold mail if leaving town for extended time
- Record account numbers, expiration dates, and customer service numbers
 - Store in safe location
 - Call immediately when problems arise
