I have reviewed the online information regarding the University of West Florida's Master's degree in Computer Science - Software Engineering specialization at <http://uwf.edu/computerscience/graduate/gradse.cfm> and understand that I must be admitted into this program for the summer or fall 2010 term, must be a Florida resident, and reside within Northwest Florida to be eligible for this scholarship award. I have submitted an application for admission -- available at <http://uwf.edu/admissions/gap.cfm> for summer or fall 2010 admission. I understand that it is my responsibility to ensure that all admission requirements are met prior to the start of the semester for which I am applying. I understand that if selected for the 2010 summer term that I will be required to earn a B or better in all courses taken during the summer 2010 term to retain this scholarship through the fall 2010 term. I understand that I must pay my portion of my tuition, which will be 20% of my tuition, prior to the first day of classes.
