

General Studies / Academic Foundations
Assessment Group

Agenda

January 12, 2007
2 – 4 PM, Room 272, Commons

1. Update on “Academic Bingo” as a strategy to assess student learning outcomes in Academic Foundations domains.
2. Reports of assessments from departments
 - a. Successes – evidence of student learning; rubrics and assessments that worked well
 - b. Areas that need attention – difficulties with assessment instruments; evidence that some SLOs might need attention in the curriculum
3. Discussion regarding use of these data – what needs to be done in the next year?
4. Plans for assessment of Academic Foundations/General Studies in Fall 2007
5. Adjournment
