

General Studies / Academic Foundations
Assessment Group

Agenda
October 11, 2007

1. Update on where we are now
2. Plans for assessment in 2007-2008 cycle
 - Assessing project management outcomes (related to evaluation of impact of the QEP)
 - Overarching assessment proposal
 - review of the alignment of syllabus student learning outcomes with Academic Foundation learning outcomes
 - descriptions of embedded assessments in syllabi
 - Departmental commitments to assessing 2 student learning outcomes from the Academic Foundations matrix in at least one General Studies course
3. Establish an agreed-upon timeline for collection and report of assessment data
 - Data collection in the fall term
 - Schedule a “making sense” meeting in January – best time to do this?
 - Plan to create working groups that assessed outcomes in a common Academic Foundations Domain for discussion
4. Determine departmental needs for consultation, faculty development, and other support from the Center for University Teaching, Learning, and Assessment
5. Reminder:
Mini-Conference on Best Practices: Best Practices for Assessment and Curricular Reform
Friday, February 29, 2008
Plan to submit your success stories on curriculum changes motivated by assessment evidence, useful assessment methods, etc.
6. Adjourn
