

University of West Florida Faculty & Staff Donor Honor Roll

Thank you for your participation in the 2009-2010 Faculty and Staff Campaign for UWF. Overall, 40% of faculty and staff participated last year by making a contribution to the college, department, program or scholarship they are passionate about. Employee giving not only benefits students and the university community, but it also helps UWF attract major grants and gifts. We greatly appreciate these generous contributions.

We would also like to extend special recognition to those who volunteered as co-chairs and/or peer communicators. Volunteer advocacy on behalf of the university is so meaningful. Please take note of these names listed in blue and green.

Thank you so much for helping to create great futures through annual giving!

— Kenda D. Hembrough, Annual Fund Manager
