

EVR 4412 ENVIRONMENTAL ASPECTS OF URBAN GROWTH

INSTRUCTOR: Chasidy Hobbs

EMAIL: CHobbs@uwf.edu

OFFICE HOURS: By appointment

LECTURES: M,W 12:30 – 3:50 Building 13 room 221

REQUIRED TEXT: Handouts in class

EVALUATION: 50% of your grade will be determined by participation in the several field trips we have planned. The other 50% will come from how you synthesize what you learn into your very own development. At the end of the semester the class will vote on which new place (created by you, the students) we would move. The winner gets an automatic A for the class!!

CLASS SCHEDULE:

6/30	Sustainable Development Literature
7/2	Escambia County NESD
7/7	Escambia County Redevelopment
7/9	Crist Power Plant
7/14	Landfill and Recycling Operations
7/16	Waste Water Treatment
7/21	Santa Rosa Island Authority
7/23	US Army Corp of Engineers
7/28	Public Property
7/30	Residential Development
8/4	Presentations

LATE WORK: There is no way to make up work from the field trips. If you must miss one you may submit an eight (8) page report on the subject of our trip. This must be submitted by the following MONDAY. There is no way, however, to make up the presentation as the vote will follow.

Special Technology Utilized by Students: low-to-medium

Expectations for Academic Conduct/Plagiarism Policy will be followed as stated by:
