

## HONOR ROLL OF DONORS

*Nautilus Society*

The Nautilus Society was formed in 2003 as a way to honor donors of \$1,000 or more for their commitment to helping provide students with a high-quality education. Nautilus Society membership is based on fiscal year gifts (July 1 through June 30). Qualifying gifts include both unrestricted and restricted gifts. Employer matching gifts can be included to qualify a constituent for membership to this society if received in the same fiscal year.

The following alumni, friends, companies and foundations have supported UWF between July 1, 2006 and June 30, 2007 at the Nautilus Society level. Thousands of UWF students have been impacted by their kindness and generosity.

## UWF Center for Fine and Performing Arts

## UWF LIFETIME GIVING SOCIETIES

To recognize cumulative lifetime giving to the university, the Board of Directors of the University of West Florida Foundation, Inc. sponsors three prestigious societies: The Chambered Nautilus Society, The Charter Society of 1963, The John C. Pace Society; and two recognition clubs: The Heritage Club and The President's Club.

Membership is available to any individual or organization that has contributed the amount designated for a society or club. As our most honored benefactors, members of these societies and clubs will gather periodically in celebration and fellowship. In addition, all Chambered Nautilus Society members are recognized with a permanent display on the marble wall at the John C. Pace Library.

### *The Chambered Nautilus Society*

This most prestigious lifetime giving society recognizes donors who have made gifts totaling \$100,000 or more. Donors are honored by having their names permanently etched in marble on the wall of the John C. Pace Library.

## Heritage Club

Passing traditions from one generation to another, building bridges from the past to present to future – those are activities for those with vision enough to pave the way into and through the next century. The Heritage Club recognizes those providing future gifts to the university through estate provisions and is appropriate for individuals who desire to ensure the future of UWF through their gifts.

Heritage Club membership is extended to those who have included the University of West Florida in their wills, have established a life-income plan with the university as a beneficiary, have named the University as beneficiary and owner in their life insurance policy, or have made other estate provisions with the university as beneficiary.

### ROSASCO GIFT TO ESTABLISH CONFERENCE ROOM IN MARITIME MUSEUM

Robert C. (Bob) Rosasco of Pensacola has committed \$100,000 to the UWF Foundation to establish a conference room in the Admiral John H. Fetterman State of Florida Maritime Museum and Research Center. Named in honor of Albert T. and William S. Rosasco, the "Rosasco Brothers Conference Room" will host meetings of community organizations, visiting scholars and dignitaries, the museum's advisory group and seminars related to maritime studies, public history and archaeology.

"Establishing a named space or exhibit in the maritime museum is a great way to support a facility that is important to UWF and the community," said National Maritime Museum Campaign Chair H. Miller Caldwell. "The gift will be matched with an additional \$100,000 through the state's Alec P. Courtelis program for university facilities."

For more information, including how to support the museum, contact Dean Van Galen, UWF Vice President for University Advancement, at (850) 474-3306 or e-mail [dvangalen@uwf.edu](mailto:dvangalen@uwf.edu).
