

FRAUD EXAMINATION CERTIFICATE CURRICULUM MAP

	CCJ 4931	ACG 2021 or ACG 3082	ACG 4682 or CCJ 4644	CJE 4610	CJE 3694
Students will examine the types, dynamics, and consequences of white-collar crimes and fraud cases	X	X	X	X	X
Students will describe the basic steps of conducting a fraud investigation	X	X	X	X	
Students will recognize the needed professional qualifications for becoming a certified fraud examiner	X		X		

Assessment Plan: A course-embedded measure will be implemented in ACG 4682 or CCJ 4644 to assess all program SLOs. The benchmark is that at least 70% of all students taking this course as a part of their Fraud Examination certificate program requirement will correctly answer certain common questions used on tests and exams in the course.
