This is a competitive fee waiver program. The information you provide will assist us in selecting those eligible for the fee waiver. Filling out this application does not guarantee that you will receive a fee waiver.

Para to Teacher will pay for two courses per semester, 6 courses per year. A grade of “B-” or better in any course will earn an additional \$75 book award for the following semester’s course. Funding is entirely dependent upon the availability of federal grant funds and is never guaranteed from year to year.

Applications will be reviewed in the order received. Applicants will contacted regarding the status of their application.

To be eligible you must be employed as an ESE paraprofessional in a school in one of north Florida’s 31 school districts.
