

Disc Golf Club

University of West Florida Disc Golf Course Qualified Sponsorship

Become a founding sponsor of the UWF Disc Golf Course, a professionally-designed, 18-hole course through 20 acres of University Park in the heart of main campus.

What is Disc Golf? Disc Golf is played much like traditional golf. However, instead of a ball and clubs players use a flying disc, or Frisbee®, and instead of a hole players aim for a target, which is typically a metal basket. First-time players from school age to old age of all physical abilities can enjoy a round of disc golf with no instruction, and on the same course there might be a professional competition.

What does it mean to sponsor? While the course is designed and being played using temporary targets, completion requires purchase and installation of permanent disc-catching baskets as well as signage. \$250 sponsors construction of one hole of the course, including the basket and the sign marking the tee location. This tee sign will have space recognizing the sponsor either by corporate logo, name, or in memory of another. Founding sponsors are guaranteed 2-years of recognition on tee signs as well as permanent recognition on the rules sign. You will approve signage before submitted for printing. Construction will be completed in September, 2007.

The University of West Florida Disc Golf Course follows **IRS Publication 598** concerning **qualified sponsorship payment**. *This is any payment made by a person engaged in a trade or business for which the person will receive no substantial benefit other than the use or acknowledgment of the business name, logo, or product lines in connection with the organization's activities. "Use or acknowledgment" does not include advertising the sponsor's products or services.*

Sponsor's Name: _____

Phone: _____

Email: _____
