

Triple Room Switch Check Out Form

Print, sign, and return to ResNet office.

The purpose of this form is intended for the use of a UWF Housing approved switch inside a triple room. Residents may check out this device in Argo Hall (Building 925) in Room 169. Checkout time for this device is for the current semester only. All residents within the room share responsibility for this device. While using this device, all ResNet AUP and CSA agreements apply. Tampering with this device or removal of Housing logos on this device will constitute in immediate disconnection from ResNet and possible judicial action. Using this switch for any other reason other than outlined in the ResNet AUP or ITS Guidelines is strictly prohibited. ResNet will provide support for any malfunctioning switches. ResNet will not provide support for any devices attached to the switch other than personal computers that are attempting to connect to the Internet. By filling out and signing this form you acknowledge and will adhere to the above guidelines. The switch may not be released to the room until all three (3) residents have acknowledged and signed this form.
